Latest Updates

STATEWIDE | RESTAURANT AND BAR CAPACITY LIMIT INCREASED

(March 5, 2021) The capacity limit for all restaurants and bars has been increased to 100% of their seating capacity. This change applies only if social distancing can be maintained between groups that arrive and sit together. Bars may only increase capacity to the extent that they have physical seating for every patron. No standing room for people to congregate will be allowed. These businesses must still continue to follow all applicable safety guidelines, including, but not limited to, mandatory face coverings and social distancing.

STATEWIDE | SMALL BUSINESS, RETAIL STORE, AND GROCERY STORE CAPACITY LIMIT INCREASED

(March 5, 2021) All previous capacity limitations for small businesses, retail stores, and grocery stores have been lifted. These businesses must still continue to follow all applicable safety guidelines, including, but not limited to, mandatory face coverings and social distancing.

STATEWIDE | GYM, FITNESS CENTER, AND MUSEUM CAPACITY LIMIT INCREASED

(March 5, 2021) The capacity limit for all gyms, fitness centers, and museums has been increased to 100% of their normal capacity. These businesses must still continue to follow all applicable safety guidelines, including, but not limited to, mandatory face coverings and social distancing.

STATEWIDE | SOCIAL GATHERING LIMIT INCREASED

(March 5, 2021) The limit for all purely social gatherings has been increased to 100 individuals. The limitation does not apply to any activity, business, or entity that has been deemed essential, such as religious services, weddings, group meetings, conferences, or other special events held for essential businesses and operations. Those partaking in such purely social gatherings must continue to social distance, wear face coverings, and follow all other applicable safety guidelines.
