IN THE NAME AND BY THE AUTHORITY OF THE STATE OF IOWA

## PROCLAMATION OF DISASTER EMERGENCY

**WHEREAS**, the World Health Organization has reported an outbreak of thousands of cases of Novel Coronavirus 2019 (COVID-19) in multiple countries, causing illness and deaths; and

**WHEREAS**, on January 31, 2020, the United States Department of Health and Human Services declared a national public health emergency; and

**WHEREAS**, on March 9, 2020, a Proclamation of Disaster Emergency was issued to coordinate the State of Iowa's response to this outbreak and such disaster continues to exist; and

**WHEREAS**, on March 11, 2020 the World Health Organization declared the COVID-19 outbreak a global pandemic; and

**WHEREAS**, on March 13, 2020, President Donald J. Trump issued a proclamation declaring that the COVID-19 outbreak in the United States constitutes a national emergency; and

**WHEREAS**, on March 17, 2020, a Proclamation of Public Health Disaster Emergency was issued to provide additional needed resources and measures to respond to this disaster, and such public health disaster continues to exist and should be extended until July 25, 2021; and

**WHEREAS**, strict compliance with many of the provisions of Iowa law previously suspended would continue to prevent, hinder, or delay necessary action in coping with this disaster in all counties of our state.

**NOW THEREFORE, I, KIMBERLY K. REYNOLDS**, Governor of the State of Iowa, by the power and authority vested in me by the Iowa Constitution, Art. IV, §§ 1, 8 and Iowa Code §§ 29C.6(1), 135.140(6), and 135.144 do hereby proclaim a **STATE OF PUBLIC HEALTH DISASTER EMERGENCY** continues to exist throughout the entire state of Iowa and do hereby **ORDER** and **DIRECT** the following:

### IN-PERSON INSTRUCTION AT SCHOOLS

**SECTION ONE.** Under Iowa law, "in-person instruction is the presumed method of instruction" for all school districts and accredited nonpublic schools during the 2020-2021 school year. I continue to direct that all state agencies, school districts, and other local governmental bodies and agencies shall take all efforts to continue to safely provide in-person educational instruction throughout the school year. These efforts shall also ensure that schools have the flexibility to continue providing education remotely if it becomes necessary and that parents have the option to select a learning model for their children that best meets the needs of their family. But the best interests of students and families requires that our schools are prepared to provide a structured, safe, and enriching academic environment. This suspension shall expire at midnight at the end of June 30, 2021.

## AUTHORIZATION OF CERTAIN REMOTE LEARNING

**SECTION TWO.** Pursuant to 2020 Iowa Acts Chapter 1107 (Senate File 2310), section 15, subsection 1, and 2021 Iowa Acts Chapter 1 (Senate File 160), section 1, subsection 1, I authorize a brick-and-mortar school district or accredited nonpublic school to provide instruction primarily through remote-learning opportunities and, as applicable, waive the requirement to provide an opportunity for full-time in-person instruction only in one of the following circumstances:

- A. Parental consent:** If a parent or guardian voluntarily selects the remote learning opportunity from among multiple options provided by the school district or nonpublic school in accordance with its Return-to-Learn Plan.
- B. Approved temporary school building or district closure:** If the Iowa Department of Education, in consultation with the Iowa Department of Public Health, approves of the temporary move to primarily remote learning for an entire school building or district because of public health conditions in the building or district.
- C. Temporary remote learning for individual students or classrooms:** If the school district or accredited nonpublic school determines, in consultation with state and local public health departments, that individual students or classrooms, but less than half of the students in a school building, must temporarily move to primarily remote learning because of public health conditions in the building.
- D. Temporary remote learning because of inclement weather:** If the school district or accredited nonpublic school determines that an entire school building or district must temporarily move to primarily remote learning because of inclement weather for a period not exceeding five consecutive school days unless the Iowa Department of Education approves of a longer period.

Any instruction provided by a school district or accredited nonpublic school that is authorized by this section and compliant with Iowa Law, including 2020 Iowa Acts Chapter 1107 (Senate File 2310) and 2021 Iowa Acts Chapter 1 (Senate File 160) shall be deemed to meet the days and hours of instructional time requirements of Iowa Law. This suspension shall expire at midnight at the end of June 30, 2021.

## EDUCATION WORKFORCE LICENSURE RELIEF

**SECTION THREE.** Pursuant to Iowa Code § 29C.6(6) and Iowa Code § 135.144(3), and in conjunction with the Iowa Department of Public Health, I continue to temporarily suspend the regulatory provisions of Iowa Admin. For the duration of this disaster proclamation and any extension of this suspension, a substitute authorization or substitute license shall allow an individual to substitute in grades pre-kindergarten through 12, except in a driver's education classroom for any length of time. Iowans should not expect that this suspension will be extended beyond July 25, 2021.

**SECTION FOUR.** Pursuant to Iowa Code § 29C.6(6) and Iowa Code § 135.144(3), and in conjunction with the Iowa Department of Public Health, I continue to temporarily suspend the regulatory provisions of Iowa Admin. Code rule 282-22.2(1)(a)(2), requiring a baccalaureate degree or higher from a regionally accredited institution to be issued a substitute authorization, but only to the extent that the applicant instead has achieved an associate's degree or completed 60 semester hours of college coursework from a regionally accredited institution. For the duration of this disaster proclamation and any extension of this suspension, the holder of a career and technical secondary authorization or an initial career and technical secondary authorization who has completed at least one year of teaching experience employed by a school district may substitute in any classroom in grades pre-kindergarten through 12, except in a driver's education classroom without any further authorization from the Board of Educational Examiners.
