

# COVID-19 in Pennsylvania

**COVID is tough, but Pennsylvanians are tougher.**

**The numbers:** There are 1,230,454 positive COVID-19 cases in Pennsylvania.

[Explore in-depth Pennsylvania data.](#)

(/topics/disease/coronavirus/Pages/Cases.aspx)

**What we can do:** It's important that everyone  
takes precautions to slow the spread of COVID-19

(/topics/disease/coronavirus/Pages/Stop-the-Spread.aspx)

get a COVID-19 vaccine

(https://www.pa.gov/get-vaccinated)

. Together we can make a difference, slow the spread of the virus, and save lives.

COVID mitigation orders are lifted

Effective May 31, (https://www.media.pa.gov/Pages/Health-Details.aspx?newsid=1437)

. Effective June 28, the order requiring universal face coverings is lifted statewide. We continue to urge Pennsylvanians to follow CDC guidance for wearing a mask where required by law, rule, and regulations, including healthcare, local business and workplace guidance.
