## Ohio Changing Travel Guidance for COVID-19

### Weekly travel advisory will no longer be issued by the Ohio Department of Health

---

Starting March 10, 2021, the Ohio Department of Health (ODH), will no longer issue a travel advisory for those entering Ohio after traveling to states reporting positive testing rates of 15% or higher. Instead, ODH is revising its travel guidance to encourage Ohioans to carefully review Centers for Disease Control and Prevention (CDC) guidance when considering travel.

This change means the state-by-state list will no longer be updated. Even as more individuals are vaccinated across the United States and in Ohio and testing availability continues to improve, travelers should still practice appropriate public health measures to slow the spread of COVID-19, such as wearing masks, practicing physical distancing, and washing your hands.

Additional CDC guidance related to domestic travel during the COVID-19 pandemic includes:

- Travel can increase your chance of **getting or spreading** COVID-19. Postponing travel and **staying home is the best way to protect yourself and others from COVID-19.**
- You and your travel companions (including children) may feel well and not have any symptoms, **but you can still spread COVID-19 to family, friends, and community after travel.**
- If you have a **known exposure** to COVID-19, you should delay travel even if you are not feeling sick, quarantine yourself from other people, get tested, and monitor your health.
- **Don't travel if you are sick** or test positive for COVID-19, and don't travel with someone who is sick.

Complete CDC guidance on travel can be found here: [Domestic Travel During the COVID-19 Pandemic](#).

# CORONAVIRUS DISEASE 2019

Protect yourself and others from  
COVID-19 by taking these precautions.

## PREVENTION

For additional information call 1-833-4-ASK-ODH or visit [coronavirus.ohio.gov](https://coronavirus.ohio.gov).

STAY HOME  
EXCEPT FOR  
WORK AND  
OTHER NEEDS

WEAR A FACE  
COVERING WHEN  
AROUND ANYONE FROM  
OUTSIDE YOUR  
HOUSEHOLD

PRACTICE SOCIAL  
DISTANCING OF  
AT LEAST 6 FEET  
FROM OTHERS

DO NOT HOLD  
GATHERINGS  
OF MORE  
THAN  
10 PEOPLE

WASH HANDS OFTEN  
WITH WATER AND SOAP  
(20 SECONDS  
OR LONGER)

AVOID TOUCHING  
YOUR EYES, NOSE,  
OR MOUTH WITH  
UNWASHED HANDS  
OR AFTER  
TOUCHING SURFACES

USE DELIVERY, DRIVE-  
THRU, AND PICKUP  
SERVICES WHEN  
AVAILABLE

CLEAN AND DISINFECT  
"HIGH-TOUCH"  
SURFACES OFTEN

DON'T WORK  
WHEN SICK

QUARANTINE AFTER  
RETURNING FROM A  
STATE WITH HIGH  
COVID-19 SPREAD

12-7-2020

Additional information from the Centers for Disease Control and Prevention: <https://www.cdc.gov/coronavirus>

## Protect yourself and others from COVID-19 by taking these precautions.

- Stay home except for work or other needs
- Wear a face covering when going out
- Practice social distancing of at least 6 feet from others
- Shop at non-peak hours.
- Wash hands often with water and soap (20 seconds or longer)
- Avoid touching your eyes, nose, mouth with unwashed hands or after touching surfaces
- Cover your mouth with a tissue or sleeve when coughing or sneezing
- Clean and disinfect "high-touch" surfaces often
- Don't work when sick
- Call before visiting your doctor

---

**If you have questions regarding Coronavirus/COVID-19 please call 1-833-4-ASK-ODH (1-833-427-5634)**

---

### **CLEAN ALL "HIGH-TOUCH" SURFACES EVERY DAY**

High touch surfaces include counters, tabletops, doorknobs, bathroom fixtures, toilets, phones, keyboards, tablets, and bedside tables. Also, clean any surfaces that may have blood, stool, or body fluids on them. Use a household cleaning spray or wipe according to the label instructions. Labels contain instructions for safe and effective use of the cleaning product including precautions you should take when applying the product, such as wearing gloves and making sure you have good ventilation during use of the product.
