Responsible Protocols

April 28, 2020 | [COVID-19](#)

5 PROTOCOLS FOR ALL BUSINESSES:

1. **Require face coverings** for employees and recommend them for clients/customers at all times.

2. **Conduct daily health assessments** by employers and employees (self-evaluation) to determine if "fit for duty."

3. **Maintain good hygiene** at all times – hand washing, sanitizing and social distancing.

4. **Clean and sanitize** workplaces throughout workday and at the close of business or between shifts.

5. **Limit capacity** to meet **social distancing** guidelines.
   - Establish maximum capacity.
   - And, use appointment setting where possible to limit congestion.

TAKE THE FOLLOWING ACTIONS WHEN A COVID-19 INFECTION IS IDENTIFIED:

- **Immediately report** employee or customer infections to the local health district.

- Work with local health department to identify potentially exposed individuals to help facilitate appropriate communication/**contact tracing**.

- **Shutdown** shop/floor for deep sanitation if possible.

- Professionally clean and sanitize site/location.

- Reopen in consultation with the local health department.
